

**SEATTLE BICYCLE ADVISORY BOARD  
MEETING AGENDA**

*Wednesday, September 1, 2004: 6:00 – 8:00pm.*

**Location: City Hall  
601 5<sup>th</sup> Avenue**

**Boards and Commissions Room, Room L280**

6:00 – 6:10	<p><b><i>Welcome and Introductions</i></b></p> <p><b>Minutes</b></p> <ul style="list-style-type: none"><li>• Approval of July’s meeting minutes.</li><li>• Identification of meeting minute-taker.</li></ul> <p><b>News &amp; views / Around the room</b></p>
6:10 – 6:30	<p><b><i>ROW Improvement Manual</i></b> – Whenever development occurs under the land use code, there may be requirements for improvements in the public right-of-way (ROW). The design criteria that these improvements must meet are currently being updated. Barbara Gray, a planner with the SDOT Policy, Planning and Major Project (PPMP) Division, will provide an overview of this project, describe the decision making processes and timeline, and discuss elements of the manual that would most significantly impact bicyclists. The current manual can be found at:</p> <p><a href="http://www.cityofseattle.net/transportation/simhome.htm">http://www.cityofseattle.net/transportation/simhome.htm</a></p>
6:30 – 7:15	<p><b><i>TSP Update</i></b> – The Transportation Strategic Plan (TSP) defines SDOT’s strategies, projects, programs and services that will accomplish the transportation goals and policies identified in Seattle’s Comprehensive Plan. Mark Keller, a planner in PPMP, will discuss the current process for updating the TSP and the plan’s bicycle-specific strategies to encourage bicycling. The current version of the plan and a draft of the update can be downloaded at:</p> <p><a href="http://www.cityofseattle.net/transportation/tsphome.htm">http://www.cityofseattle.net/transportation/tsphome.htm</a></p>
7:15 – 7:45	<p><b><i>Bicycle Parking Code</i></b> – The Department of Planning and Development is currently undergoing an effort to review and update the commercial land use code, providing an opportunity to update bicycle parking requirements. Pauh Wang will summarize problems with the current bike parking code and discuss potential improvements.</p>
7:45 – 8:00	<p><b><i>Other Board Business</i></b></p> <ul style="list-style-type: none"><li>• Street sweeping map</li><li>• Environmental performance measures</li><li>• Pro Walk / Pro Bike 2004 Conference – SBAB coordination</li></ul>
